The Turnstone is a modern apartment building located in the heart of Downtown Bellingham! The building features a brand-new controlled access security system, assigned parking, and contemporary fixtures and finishes. Some units have views of Bellingham Bay!

Nestled at the end of Railroad Avenue, near the Farmer's Market Depot in the Central Business District, it is set just far enough away from the hustle & bustle of Bellingham night life and still within a couple block's walking distance from the heart of downtown. A short walk brings you to the innumerable fantastic restaurants & breweries, local shops, Bellingham night clubs & pubs, the Co-op, personal banking, the South Bay Trail and, last but not least, the incredibly convenient and affordable public transit station operated by the Whatcom Transit Authority.
