Property Description

A spacious family home set at the end of a tranquil cul de sac with an abundance of Douglas-Firs. The open floor plan offers plenty of natural light with large window in the living room, dining room, and kitchen. The living room boasts a vaulted wooden ceiling. The kitchen includes stainless steel appliances (new fridge), Corian countertops, a gas stove, and island counter.

There are FOUR bedrooms on the upper level, including a roomy-sized master bedroom/bath and three children's bedrooms. There is plenty of closet space and built-in shelving. An attic fan with auto temperature control keeps the house cooler on those hot days.

The lower level offers a large rec/playroom with pergo floors, sliding door and access to the backyard patio. This level also features a bonus room that could be a den. A two-car garage opens into this level.

** Location is ideal: walking distance to a high school, playgrounds, Park & Ride, easy I-405 access, and the new Village at Totem Lake Shopping District (Whole Foods, Trader Joes, Mod Pizza, Nordstrom Rack).
