Property Description

3 bedroom, 2 bath home in great neighborhood directly behind the brand new Groff Elementary. Neighborhood is full of kids and an awesome place to start a family. Located at the end of the development keeping traffic to a minimum and the kids safer. Great backyard with paver patio and fire pit for entertaining. Backyard also opens to adjacent canal and views of farm fields and not the back of your neighbor's house. Additionally, the backyard faces east so it is shaded and cool in the hot summer evenings. Very open and inviting feeling that is not typical with city lots. Nine-foot ceiling throughout the house with hardwoods in common areas. Furnished with fridge, range, microwave, garbage disposal, washer, and dryer.
