Property Description

We use an independent, third-party pet screening vendor for all our tenant prospects. To help ensure ALL of our residents understand our pet and animal-related policies we require EVERYONE to complete a third-party screening and review process regardless of having a pet or animal. This process is done once a year and ensures we have formalized pet and animal-related policy acknowledgments and accurate pet / animal records.

There is a nominal fee for a household pet screening Pet Profile. This is a separate charge from the rental application fee. There is no (\$0) charge for an assistance animal accommodation request and no (\$0) charge for a 'No Pet / Animal' profile. Please visit <https://investwestmanagement.petscreening.com> to get started.
