Property Description

Quietly tucked away and just a short commute Lake Geneva, fall in love with this light and bright ranch style home. An open-flow layout will please the frequent entertainer, making for easy mingling even if you're still preparing a meal. Cook delicious home cooked meals in the u-shaped kitchen, complete with major appliances and plenty of cabinet space. A spacious, fenced backyard will have you longing for warmer weather so you can host countless outdoor get-togethers with your friends and loved ones. Don't miss out
